

49th Annual Meeting Southeastern Neuroradiological Society

October 16-19, 2025

The Westin Hotel
New Orleans, LA

Welcome from the Program Chair

Erik Middlebrooks, MD
President/Program Chair

Sugoto Mukherjee, MD
Vice President/Program Chair

Dear Friends,

It brings me great pleasure to invite you all to join us for the 49th Annual Meeting of the Southeastern Neuroradiological Society, which will convene from Oct 16–19, 2025, at The Westin Hotel in New Orleans, Louisiana, providing an ideal backdrop for our educational endeavors.

Our 2025 annual meeting boasts an impressive lineup of neuroradiology experts covering challenging neuroimaging topics and exploring cutting-edge technologies. Subspecialty sections on head & neck, pediatric, spine, oncology, vascular imaging, and more will delve into topics ranging from high field MRI, photon counting CT, to artificial intelligence and emerging molecular imaging techniques. The intimate setting fosters meaningful interactions with experts and thought leaders, complemented by activities like “Stump the Stars” and educational exhibits and scientific sessions. Social events include receptions, evening dinners, and a gold medal awards ceremony, enhancing networking opportunities. Aside from the impressive speakers and stimulating topics, what truly distinguishes this event is the chance it provides to cultivate friendships and forge collaborations.

We are honored to have Dr. Ana Franceschi, MD, from the Donald and Barbara Zucker School of Medicine at Hofstra/Northwell, as our Keynote Speaker, renowned for her expertise in molecular imaging markers and hybrid imaging techniques. Additionally, Dr. Richard Duszak, Chair of Radiology at the University of Mississippi, will deliver the Annual Chris Ullrich Lecture on the evolving role of non-physician practitioners in radiology.

The Westin Hotel offers a quintessential New Orleans experience with its splendid views of the Mississippi River and array of nearby activities within walking distance to the French Quarter ensuring a rewarding and enjoyable stay for the attendees.

We eagerly anticipate welcoming you to the Annual Meeting of the Southeastern Neuroradiological Society, promising an enriching blend of education and relaxation.

Warm regards,

Sugoto Mukherjee
President-Elect and Program Chair
