**SHERATON GRAND NASHVILLE DOWNTOWN**  
**OCTOBER 15-18, 2026**

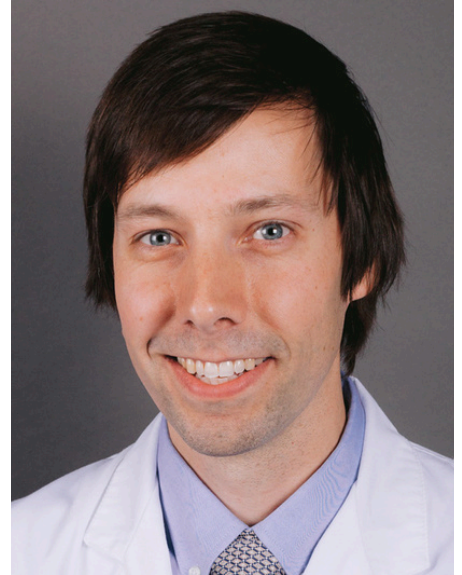

**EXHIBITOR / SPONSOR PROSPECTUS**

# Dear Colleagues,

The Southeastern Neuroradiological Society (SENRS) is holding its 50<sup>th</sup> annual meeting at the Sheraton Grand Hotel in Nashville on October 15-18, and I am excited to invite you to participate!

This year's location in vibrant downtown Nashville should be a big draw for attendees due to its accessible and exciting location among world-famous music venues, museums, and riverfront parks and the special significance of the milestone year. Our 2025 meeting in New Orleans saw over 100 registrants – neuroradiologists at all career stages including academic department chairs, section chiefs, and leaders in private radiology practices across the southeast.

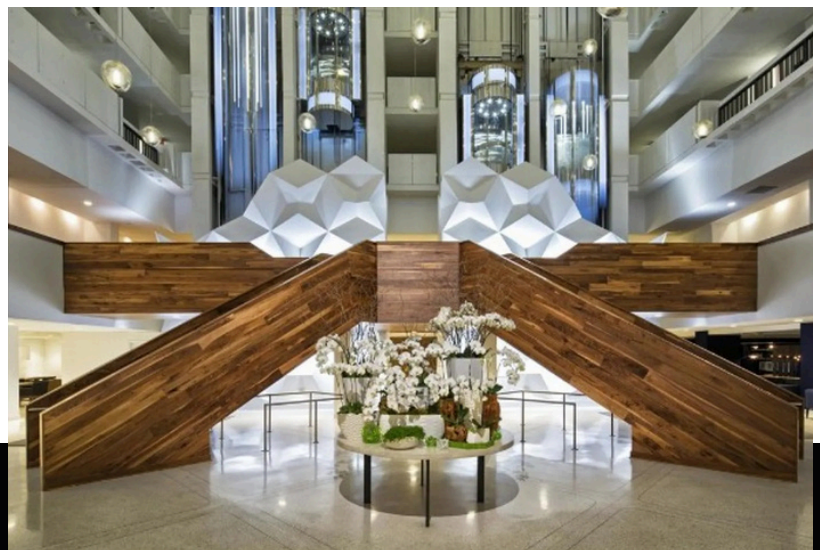

The 2026 program includes more than 30 speakers – experts in diagnostic and interventional neuroradiology – with featured topics including aneurysm embolization, carotid stenting, imaging of cerebral ischemia and stroke, detection and treatment of CSF leaks, endoscopic skull base surgery, cerebral amyloid angiopathy, and more. A full list of speakers and lecture topics is attached.

Sponsors will receive table-top exhibit space in the lobby of our conference hall where attendees congregate during refreshment breaks. Sponsors also may (depending on sponsorship level) attend one or both evening receptions, offering additional networking opportunities. Sponsorship levels and benefits are detailed in the attached prospectus.

The SENRS has been pleased to share a mutually beneficial relationship with sponsorship partners over the years, and we are excited for another successful year. We look forward to seeing you this October in Nashville!

Brad Mitchell, MD  
SENRS Vice-President and Program Chair

And the SENRS corporate liaison committee:  
Martin Radvany, MD, FACR  
Andrew Steven, MD

# Sponsorship Opportunities

## PLATINUM LEVEL

**\$10,000**

- Table top exhibit space
- Acknowledgement as "Platinum Level Sponsor" in printed materials, social media, and podium announcement
- Up to 4 representatives can attend Thursday dinner and Friday reception/dinner

For all levels: The SENRS leadership will encourage or incentivize contact between attendees and sponsors and will make reasonable efforts to promote engagement, potentially including guided "tours" of exhibits or similar activities.

## GOLD LEVEL

**\$7,500**

- Table top exhibit space
- Acknowledgement as "Gold Level Sponsor" in printed materials, social media, and podium announcement
- Up to 2 representatives can attend Thursday dinner and Friday reception/dinner

## SILVER LEVEL

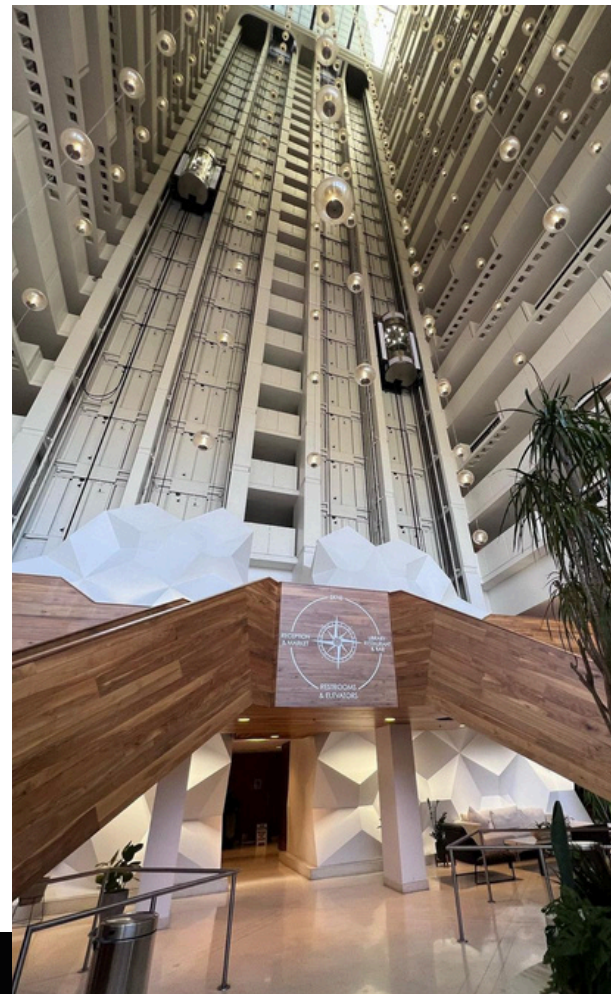

**\$5,000**

- Table top exhibit space
- Acknowledgement as "Silver Level Sponsor" in printed materials and social media
- Up to 2 representatives can attend Thursday dinner

## EXHIBITOR

**\$3,000**

- Table top exhibit space
- Acknowledgement as "Exhibitor" in printed materials and social media

# Speakers / Topics

Speaker	Institution	Lecture topic
Anna Baer, MD, PhD	Emory University, Atlanta, GA	Pediatric stroke
Katie Bailey, MD	Department of Veterans Affairs, Tampa, FL	Cavernous malformations
Richard Beegle, MD	Mayo Clinic, Jacksonville, FL	Carotid plaque imaging
Paul Bunch, MD	Wake Forest University, Winston-Salem, NC	Finding a sense of purpose at work
Hossam Elbelasi, MD	University of Kentucky, Lexington, KY	Calvarial lesions
Ronliang Hu, MD	Emory University, Atlanta, GA	Chronic steno-occlusive disease and cerebrovascular reserve imaging
David Joyner, MD	University of Virginia, Charlottesville, VA	Myelopathy
Dhairya Lakhani, MD	West Virginia University, Morgantown, WV	Stump the stars neuroradiology case presentation
Mike Malinzak, MD	Duke University, Durham, NC	Development of spontaneous intracranial hypotension in IIH patients
William Malouf, MD	Wake Forest University, Winston-Salem, NC	Use of audiogram data in interpreting temporal bone CT for hearing loss
Kassie McCullagh, MD	University of North Carolina, Chapel Hill, NC	Sellar and suprasellar lesions, pituitary adenoma mimics
Frank Minja, MD	Emory University, Atlanta, GA	International partnership in neuroradiology education: Tanzania
Robert Morgan, MD	Charlotte Radiology, Charlotte, NC	Intracranial pressure and CSF leak: starting a private practice service line
Mahmud Mossa-Basha, MD	University of Alabama at Birmingham, Birmingham, AL	Leadership in radiology
Mark Mullins, MD, PhD	Emory University, Atlanta, GA	Moderator: Brain session
John Murray, MD	Mayo Clinic, Jacksonville, FL	Autoimmune encephalitis and epilepsy
Natalya Nagornaya, MD	University of Miami, Miami, FL	Vasculitis and mimics
Robert Quencer, MD	University of Miami, Miami, FL	Keynote Address: History of SENRS and neuroradiology
Martin Radvany, MD	University of South Florida, Lakeland, FL	Carotid stenting
Dinesh Rao, MD	Mayo Clinic, Jacksonville, FL	Endoscopic skull base surgery
Ryan Rigsby, MD	Vanderbilt University, Nashville, TN	Utility of dual-energy head CT
Noah Sabin, MD, JD	St. Jude Children's Research Hospital, Memphis, TN	Pediatric neuro-oncology imaging
Gaurav Saigal, MD	University of Miami, Miami, FL	Orbital pathology: learning from the known and the unknown
Colin Segovis, MD, PhD	Emory University, Atlanta, GA	Ullrich Memorial Lecture on health economics
Alyson Stacks, MD	University of Mississippi, Jackson, MS	Stroke: atypical causes
Andrew Steven, MD	Ochsner Health, New Orleans, LA	Cerebral amyloid angiography related inflammation
Joe Sullivan, MD	Midsouth Imaging, Germantown, TN	Moderator: Practice/general session
Charlotte Taylor, MD	University of Mississippi, Jackson, MS	Lymph node imaging
Frank Tong, MD	Emory University, Atlanta, GA	Update on aneurysm embolization techniques
David Turetsky, MD	Radiology Associates, Daytona Beach, FL	Ethics in medical expert witness work
Andrew Wagner, MD	Rockingham Radiologists, Harrisonburg, VA	Moderator: Stump the stars session
Dan Williams, MD	Wake Forest University, Winston-Salem, NC	Temporal bone trauma

# How to Register

- Register and pay online by credit card or debit card:
  - <https://senrs.regfox.com/southeastern-neuroradiological-society-2026>
- Or complete form below and email to Debbie Griffin at **SENRSinformation@gmail.com**
  - Check can be mailed to:
    - Southeastern Neuroradiological Society
    - 820 Jorie Blvd., Suite 300
    - Oak Brook, IL 60523
  - Wire transfer:
    - Bank: Wintrust
    - Bank Account: 3803995258
    - Routing # 07192544
